The Print Magazine

A blend of striking graphics and entertaining, informative articles, the *Crescent* print magazine offers a great deal of thought-provoking and intriguing content through theme-based issues. *Crescent* focuses on the passions of spirituality and the positive evolution of culture and consciousness.

The CD-ROM / Tarot Cards

Crescent is the first and only Pagan magazine to offer a CD-ROM with each issue! Our CD-ROM, "Digital Mandala" offers music, interviews, instructional/performance videos and more to our readers. The *Crescent* Tarot Series is a collectible set of cards. Each issue comes with two cards, printed on high quality, glossy stock with the faces of the cards in full color.
